I - INTRODUCTION

NSS Head Office, Changanacherry

Athurasramam NSS Homoeo Medical College established in 1958 is pioneer in the field of Homoeopathic Medical Education. It had chequered history spanning more than 6 decades. The college started diploma courses in the year 1958 and Bachelor of Homoeopathic Medicine and Surgery (BHMS Professional Degree course) in the year 1983. It is situated at Sachivothamapuram in Kurichy Village, Changanacherry Taluk in Kottayam District. It is established and administered by Nair Service Society which is the foremost corporate management in State of Kerala which had made its imprint in the annals of history of Kerala. The Society had on its credit impeccable track record of running and administering educational institutions unblemishingly over decades catering to the educational need of the State.

II – HISTORY OF THE EDUCATIONAL AGENCY

The Nair Service Society, a synonym for selfless service and social commitment was founded by the late Sri.MannathuPadmanabhan in 31 - 10 - 1914. It came into being at a crucial stage in the history of the Nair community which was facing a crisis brought about by disunity and blind adherence to outmoded customs, beliefs and practices. They had a glorious past .but ignorance, accumulated over centuries, reinforced by inadequate education, proved disastrous for the community. Their predilection for celebrations and penchant for ceremonial occasions fuelled by a strong affinity towards profligacy and extravaganza, contributed to their decline and downfall. Gradual loss of land holdings, underemployment and unemployment due to lack of modern education completed the process of disintegration.

It was at this juncture that Sri.MannathuPadmanabhan took the initiative to unite the members of the Nair community and build up a great organization. The rest is history. He inspired them and gave them a dream, a dream of liberation from poverty, misery and ignorance hundreds of units of the N.S.S in his own unique way, with his persistence, tireless efforts, vision and

farsightedness, the N.S.S opened an array of educational institutions, hospitals and other socially beneficial institutions all over the state.

With an amazing network of units at the village (Karayogam) and taluk levels (Taluk Unions), the N.S.S has evolved into a well-knit and coherent organization that has never severed from the noble ideals and high principles of the founder. The N.S.S runs more than a hundred of schools.15 arts and science colleges, 3 Training colleges, 1 Engineering college, 1 Homeo Medical College, several Nursing Colleges, Polytechnic college, T.T.C Schools, Working Women Hostels and Technical institutions.

Though initially started to reorganize, strengthen and empower the Nair community the N.S.S, has extended the benefits of its service beyond communal and religious boundaries and has been playing significant roles in the social, economic, educational and political transformations of the state.
